Planning abilities:

Activities sphere (roles):

WORK EXPERIENCES

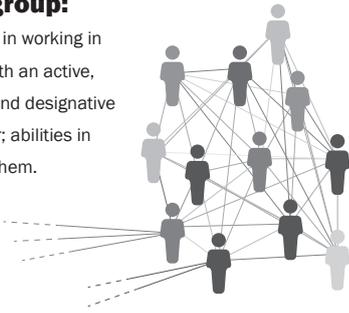

Main experiences:

ATTITUDES

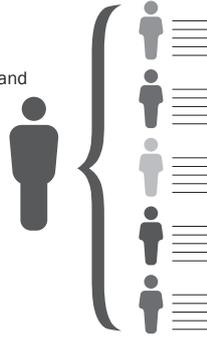

Workgroup:

Proficient in working in groups with an active, creative and designative behaviour; abilities in manage them.

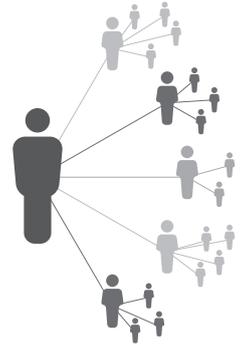

Contacts:

Skills to research, find and maintain working contacts and relationships.

Recruitment:

Ability to persuade and engage contacts in work projects; and manage new groups.
I'm really correct and exacting with my collaborators.

PERSONAL FEATURES

Other experiences:

Attending high school, during summers, I do different activities which have amplified my experience:

I worked in the food service sector like a cook, assistant to a pastry chef and waiter.

I was an animator, a lifeguard in swimming pool, a bellboy and leafletted.

I worked in a hardware store like an employee for several years (during summer holiday's periods).

From 2006 collaborated with a commercial law's office for telematic dispatch's processes.

For 2010 FIVB World Men's Volley Championship, 2012 CEV European Female Volley Championship and 2014 FIVB World Women's Volley Championship

I collaborated with organization as driver and warehouse worker.

In 2014 I collaborated with "PLS Educational" like informatic technician in range of 4th National Congress of Telemedicine, organized by SIT in Milan.

In 2015 I collaborated with Codemotion's team like informatic hall assistant in range of "Milan's 2015 Codemotion" in Milan.

Professional features:

I own great problem-solving abilities and I like covering responsibility assignments.

I am really accurate in my work and I always try to respect to me by preestablished terms and make happy my committents.

I am also really tollerant in about all situations: I can be calm and solve the problems just talking.

I always take my responsibilities in case of mistakes and I do not block on them, but I start again doing my best; but i cannot bear injustice and partiality in working environment.

Personal features:

I really like cooking and proving prepare new dishes;

I like sports and have played rugby for 6 year and now follow and play volleyball and beachvolley in the role of referee from more than 10 years.

I repute myself accurate (in the way not always in the look) and love the correct way.

I love Philosophy and define myself an "epicurean" in original meaning of term; I love everything is beauty and right.

I love read different literary genres, from aicent philosophy to poetry and narrative, and repute myself a man of learning.
